WELCOME LETTER

Dear Grundy Center Resident,

On behalf of the City of Grundy Center, please let me be among the first to welcome you to our progressive community! The City prides itself on providing high quality services for our townspeople and I sincerely believe you have selected an outstanding place to live.

As you settle into your new home, I encourage you to familiarize yourself with the City and all that it offers. This packet contains information that should help you get acquainted. Please take a few moments and look through this information - it provides a brief glimpse into the activities and services that truly impact your quality of life living in our community.

I also strongly encourage you to visit the City (www.grundycenter.com) and Chamber-Main Street (www.grundycentercms.org) websites for more detailed information. All the enclosed information, as well as information not included in the packet, can be found on the referenced websites. Both entities can be found on Facebook as well. Additional informational resources include the Kling Memorial Library and local media outlets including Channel 11 on GCMUNI and the Grundy Register newspaper.

It is my pleasure to serve as the Mayor and I look forward to the opportunity to meet you. I trust that you will enjoy your move to our town and once again, wish to welcome you to Grundy Center.

Sincerely,

Al Kiewiet
Mayor

703 F Avenue, Suite 2

Chamber-Main Street

703 F Avenue, Grundy Center

(319) 825-6742

www.grundycentercms.org

<https://www.facebook.com/GCChamberMainStreet>

Grundy Center has the honor of being designated as a Main Street Community by the Main Street Iowa Program. The mission of the Grundy Center Chamber-Main Street is to invest in the community through connections that:

- * Strengthen business and economic vitality
- * Preserve the history of the community's Main Street district
- * Promote Grundy Center as a desirable place to live, shop, work, and play

The areas of interest on their website include: Stay, Play, Dine and Shop categories. You can also find information regarding business services, events, and more information about the community as well as volunteer opportunities and ways to support and become involved in your new community.

GRUNDY CENTER COMMUNITY SCHOOL HISTORY

Since the first graduating class in 1890, GCHS has been educating students with the same commitment to excellence. We're proud of our long-standing tradition and believe it is important to honor the past as we prepare our students for the future.

In 1957, and again in 1972, the community was asked to support bond issues for GCHS and on both occasions they were successful on the first attempt. Classroom remodeling, improvements made in the IMC (library), and technology updates have been made the past three years. The 475-seat auditorium serves the community, as well as the school district, to view stage performances and meetings. The Grundy Center music boosters purchased a new sound system six years ago and an automatic lighting system was installed three years ago. The gymnasium was built during the 1957 building project and the community had enough foresight to install a collegiate length basketball floor with seating for 2000 spectators. The gym floor was replaced in the summer of 2004. During the winter of 2007 and summer of 2008, a new all-weather track, stadium seats and press box were constructed.

In 1996 the community of Grundy Center supported the building of a new elementary building on the location of the previous elementary building. Construction began in 1995 and the building was completed for students to enter the new building in the fall of 1996.

Educational programs at Grundy Center High School are Industrial Technology, Agriculture Science, Business, Art, Music, Family and Consumer Science, Math, Science, English and Social Studies. Classes for special needs students and talented and gifted students are also available. Grundy Center is also linked closely with AEA267 in Cedar Falls and has an outstanding working relationship with Hawkeye Community College in Waterloo.

Extracurricular activities at Grundy Center are chorus, band, show choir, jazz band, Academic Decathlon, speech, drama, FFA, Envirothon. The Academic Decathlon team has placed in the State Academic Decathlon the past several years and is consistently one of the toughest teams at the regional competition.

SCHOOLS CONTINUED

Athletic competition is valued in our community and students are given every opportunity to find success. Grundy Center High School has been a member of the NICL Conference since 1923, which has produced state champions in all areas. Football, cross-country, volleyball, basketball, wrestling, track, tennis, golf, softball, and baseball are all available at GCHS. In addition, the Grundy Center YMCA offers many activities in which students may participate.

We truly feel we have a lot to offer, but the real strength of this school system is the people. The relationships that can be built between students, staff, support staff, and community are second to none.

Timothy Christian School

Kindergarten – Eighth Grades

18000 D Avenue, Wellsburg, IA

(641) 869-3679

<https://timothychristianschool.net/contact/>

Timothy Christian School (TCS) was founded near Wellsburg by a group of dedicated parents in 1941. Ever since, Timothy Christian School has strived to come alongside Christian parents to provide God-centered courses for their children in kindergarten through eighth grade.

Representing eleven communities and over seven church denominations (including Reformed, Baptist, Lutheran, Catholic, Congregational, Methodist and others), Timothy Christian School is not run by a specific church or denomination but instead, is governed by our parents through an organization called the Timothy Society for Christian Education. Seven school board members are elected from this group. We are a member of Christian Schools International and are rooted in the Reformed tradition. However, we are “interdenominational” in that families from all Bible believing churches are welcome.

Educational Objectives

- ✓ Students will increase their understanding of the way in which God created our world with its beautiful unity and rich variety and how we as Christians are to see our responsibilities toward our world and man.
- ✓ Students will realize that they are unique children of the Lord and each has a special purpose and place in this world.
- ✓ Students will understand that to become disciples of Jesus Christ means developing skills, knowledge, and insights for living the full Christian life as contributing members of their families, churches, and communities.
- ✓ Students will view the Bible as the inspired and inerrant Word of God and the source for knowledge of Him and His desire for a personal relationship with us.

Accreditation

Timothy Christian School is accredited through the Iowa State Department of Education as a non-public school. We are also accredited with C.S.I. (Christian Schools International) which allows us to continue to choose our curriculum. TCS reports annually to the state on student achievement, and all teachers are certified to teach in their fields. Our accreditation also gives us free access to the many services provided by our local area education agency.

SCHOOLS CONTINUED

Grundy Community Preschool & Childcare Center

1201 9th Street, Grundy Center

(319) 825-3565

<http://grundycommunitypreschoolandcc.weebly.com/>

<https://www.facebook.com/gcpandcc>

Grundy Community Preschool and Childcare is a non-profit, community organization dedicated to providing quality early childhood education and care to the families of Grundy Center and the surrounding communities. It is operated by 9-15 member board of directors made up of parents, educators, and community members. The board sets policy, hires staff, and works to insure the long-term success of the Center in the community.

The Center programs are licensed by the Iowa Department of Human Services with consultant reviews of each program yearly. The State Fire Marshall's office also conducts yearly inspections. Additionally, the Public Health Nurse reviews all immunization records yearly.

Childcare

The Childcare Center is open 12 months a year Monday through Friday from 6:30 am to 6:00 pm. We serve children ages 6 weeks to 12 years of age. Preschool and School Age children are walked back and forth to school.

The Childcare Center participates in the Child and Adult Care Food Program and healthy meals and snacks are provided for all participants.

Preschool

The Preschool classes are taught by licensed teachers and run 9 months a year September to May. Classes run 8:30-11:30 or 12:30-3:30. The 3-year-old program consists of attendance 2 days per week. The 4/5 year old program consists of attendance 4 days per week.

Education and Services to Help People Meet Their Basic Needs and Become Self-Sufficient.

Programs available include: WIC, Energy Assistance, Family Development, Food Pantry, LIHEAP, Weatherization and Nest Program. This is not a complete list of services.

Dining & Shopping

We have a wide variety of choices for shopping and dining locally. Restaurants and Shopping options, as well as Community Events and Celebrations, can be found on the City or the Chamber-Main Street websites.

Chamber Bucks

The Chamber Buck included in your packet can be used just like a regular check and can be used for purchases at any participating Chamber-Main Street member. The complete list of members can be found on the Chamber-Main Street website www.GrundyCenterCMS.org or by visiting the Chamber office located at the City Hall building at 703 F Avenue, Grundy Center.
